AFTER SUNSET, TURN YOUR EYES TO THE SKY

While more than 80% of the world's population lives under a light-polluted sky, Western Australia has one of the darkest night skies on the planet. Before returning to Exmouth, stop along the North West Cape for stargazing.

MEET THE BIG THREE

Whale sharks, humpback whales, and manta rays. Today, you'll get to experience the magic of Ningaloo's megafauna and meet Exmouth's Big Three.

Visit Exmouth between March and early August to swim with the biggest fish in the sea—the whale shark.

Humpback whale swimming season spans the months of August through October. When you book a humpback whale swimming tour, you may get lucky and swim with a whale shark, too!

Number #1 Beaches in the South Pacific

8:00 AM SWIM WITH THE BIGGEST FISH IN THE SEA

Your 8-hour Whale Shark Tour starts bright and early with a pick-up from Mantaray's Ningaloo Beach Resort and a transfer out to Tantabiddi Boat Ramp. There, you will board your luxury vessel, Wave Rider, a Black Watch 40 custom-built for Australian conditions.

Live Ningaloo is Exmouth's only bespoke tour operator and is a favourite of the "Escape and Connect" crowd for the small group size and personalised care. Wear your bathers and bring a hat and a towel—Live Ningaloo will provide the wetsuit and snorkel gear.

As you cruise the pristine blue waters of the Ningaloo Reef, enjoy light morning tea and beverages before getting your first glimpse of the abundant life beneath the surface.

Back on board, receive your captain's briefing and detailed information about the day ahead. Working alongside the best spotter pilots in the industry, the team will soon have a whale shark or humpback in their sights, ready for you to have your first encounter! Swim alongside the array of megafauna, accompanied by an experienced marine scientist and photographer.

A gourmet lunch with all the trimmings will be served back inside the reef during a lagoon cruise as the captain finds the ideal location for your afternoon snorkel.

End this magical experience with champagne as you return to the Tantabiddi Boat Ramp. When you say goodbye to the Live Ningaloo team at Mantaray's Ningaloo Beach Resort, you'll leave with good memories and complimentary professional photographs.

6:00 PM DINNER AT WHALER'S RESTAURANT
